

Searching Analyst Reports and SEC filings in Thomson ONE

To get the full analyst reports search interface:

1. Click on Research in the Company Views area of the navigation pane.
2. The list of company reports will appear.
3. Click on Advanced Research to be able to search by full text, title, industry, contributor, geography and other search criteria.

To get full filings search interface:

1. Click on Screening & Analysis in the Navigation pane.
2. Click on Filings Search.
3. Click on Expand/Collapse in the More Search Criteria bar.
