Research Skill #1

**Company Research &
Company Lists**

Research Skill 1: Company Research

Database: D&B Hoovers

- Large database of public and private companies
- **Search & Build a List** lets you create a target list of companies
- Filter by **location, size, industry** and more
- **Export** company information as Excel spreadsheet

Example:

Light Truck and Utility Vehicle Manufacturing in the US

- NAICS Industry Code 336112 → 176 companies

The screenshot displays the D&B Hoovers website interface. On the left, a sidebar lists filter categories: Location, Company Size, Industries, Company Identifiers, Company Type, Corporate Family, Advanced Financials, Advanced Insights, UCC Filings, Mortgages and Charges, Website Content, Conceptual Search, and Business Signals. The main search bar is at the top, with a dropdown menu showing options: Companies (selected), Contacts, News, Research & Reports, SEC Filings, Triggers, Industries, and Conceptual Search. Below the search bar, there's a section for 'State or Province (Subdivision 1)' with a 'Find Filter' button. The main content area shows a detailed financial health report for Rev Group, Inc., including a table of key indicators.

Research Skill #2

Industry Research

Research Skill 2: Industry Research

The screenshot shows the ProQuest database interface. At the top, it says 'Access provided by HARVARD UNIVERSITY ALUMNI'. The main heading is 'You are searching 4 databases'. Below this are tabs for 'Basic Search', 'Advanced Search', 'Publications', and 'Change Databases (4)'. The 'Basic Search' tab is selected. Below the tabs is a search bar with the placeholder text 'Enter search terms...'. To the right of the search bar is a magnifying glass icon. Below the search bar are checkboxes for 'Full text' and 'Peer reviewed'. To the right of the search bar is a 'Search tips' link. Below the search bar is a preview of a report from FitchSolutions titled 'Europe Power & Renewables Insight'. The preview text reads: 'Europe UK's Incomplete 2022 Energy Security Strategy Focuses On Key Technologies But Ignores Major Issues'.

Database: ABI/ProQuest

- Database provides access to thousands of publications including news, reports, articles, and more.
- Find relevant market research reports from reliable sources like *First Research* and *Fitch*, so you can make an informed decision.
